

Academic Audit

2016-2017

Committee: Science Association

In the academic year 2016-2017, Science Association has organized various programs and activities. The brief account of these events is as below:

1. Welcome Function

In the beginning of the academic year 2016-2017, college has organised welcome function for the newly admitted students for B. Sc. course. In this function, Science Association played a vital role. At this time, students were made aware about the scope of B. Sc., opportunities after B. Sc., examination pattern, syllabus, different facilities, co-curricular courses in the college etc. At the end students were welcomed by offering a plant and sweet.

2. Acquaintance with Scholarships

Students were also made acquainted with different scholarships such as Kishor Vaidnanik Protsahan Yojana, Malhotra Weikfield Foundation etc.

3. Avishkar Competition

We organised Gopal Krishna Gokhale College Avishkar poster and model competition in our college on 07th October; 2016. In this event thirty two students were presented their posters and models. The exhibition was inaugurated by Hon. Secretary of Shikshan Prasarak Mandal Dr. Manjiri Desai-More, Administrative Officer of Shikshan Prasarak Mandal, Kolhapur. Posters and models were assessed by three examiners and twelve winners from different categories were selected and they were guided and encouraged to participate in the Avishkar Competition of Shivaji University, organised by Jaysingpur College, Jaysingpur where all the participants received certificates.

4. A Lecture on Science and Technology

As per the guidance of UGC we organised a lecture of Satish Jadhav, Employment Officer, Maharashtra Government, Shivaji University, Kolhapur on Science and Technology for differently abled students on 25th Feb; 2017 at 11.00 a.m. On this occasion, he emphasized over the government schemes, different facilities and career opportunities for such students.

5. National Science Day Celebration

Science Association of the Gopal Krishna Gokhale College celebrated National Science Day on 28th February, 2017 in the Prin. M. R. Desai Library hall. On this occasion, floral tribute was paid to Sir C. V. Raman with recalling his contribution in the form of Raman Effect world. At this moment, Prin. Dr. J. B. Pishte, Administrative officer Dr. Mrs. Manjiri Desai More, Science Association Chairman D. V. Awale and other staff members and students were present.
